

At AGOBAY, we create escapes. Whether it is a single handmade product or a place to feel at home. Guided by a strongly rooted sense of warmth and calming minimalism, we strive to inspire and create beauty with a purpose. Join AGOBAY now as Store Manager & Host in Zurich (60%) and connect with life-minded individuals.

As Store Manager & Host (60%, including every Saturday) at our studio in the heart of Zurich, you balance operational precision with genuine hospitality, ensuring every detail reflects our vision.

RUNNING STORE & CAFÉ

You are the steady hand and the keen eye that keeps everything flowing. From anticipating needs before they arise to upholding our signature aesthetics, you run the store and café seamlessly while bringing fresh ideas to grow our reach. With precision and care, you oversee inventory, costs, and revenue, ensuring every detail supports an exceptional guest experience.

HOSTING WITH INTENTION

You create an atmosphere where guests feel both at peace and inspired. With sensitivity, you offer conversation or quiet, share the stories behind every piece, prepare matchas and espressos, craft Japanese-inspired tea experiences, and serve our guests. You care for every corner – from dusting shelves to perfecting a table setting – so every detail speaks of beauty with a purpose.

ORCHESTRATING SERENE EVENTS

You bring ease and elegance to every event. Whether supporting our own intimate gatherings or welcoming external hosts, you navigate changing needs with calm focus and thoughtful organisation. Your foresight and creative ideas breathe life into our spaces, fostering connections with life-minded people while ensuring every moment feels seamless.

If you are fluent in both, English and German, and you feel a connection to what you've read, we would be delighted to hear from you. Kindly send us your motivation letter, CV, and a short introduction video at office@agobay.com
